

# CASA DEL MARE

**BY CAR:** try to find a free place in piazza Gramsci; from here it will be very convenient to take your luggage to the chosen apartment. Otherwise, we recommend that you leave your car in the small parking lot south of the Conad supermarket; or, not far away, in front of the post office (via Biserno 22); another parking lot is the one near the Coop supermarket just beyond.

**BY TRAIN:** once you get off at San Vincenzo station, turn left (via della Stazione) and continue for 150 meters following the road. After a small curve on the right, you will find the beginning of the pedestrian area also known as the “promenade” or “blue zone” on the right and the church of San Vincenzo Ferreri, not far away, on the left. Continue towards the latter following the wider road, the main street: you have finally taken Corso Italia. Pass the church, always straight for 350 meters then, after via Sicilia (on your right), you will have to look for a small road made up of pebbles that descends towards the sea; on one column is our sign “La Casa del Mare”. You’re there! After all, on the beach, there is your apartment / holiday waiting for you!
